

Dr. John Usaw, (Died 1 Aug 1890), The Somerset Herald, August 06, 1890

Dr. John Usaw, formerly of Harrisburg and well known throughout this county, where he lived for a long time, and more especially from the numberless suits he was engaged in in our county courts, died at his home in Duncannon on Thursday. His wife and four children, with whom he had not been living for several years, reside in Harrisburg. The domestic troubles were ventilated in a court trial not long ago, and the case terminated in a verdict against the husband, who was compelled to pay his wife \$2,000.
